

MILK RIVER CHURCHES

Havre Presbyterian, Chinook Presbyterian, Chinook Methodist, Chinook American Lutheran, Harlem Yoked Parish

MILK RIVER CHURCHES ARE SEEKING A... **COORDINATING PARISH PASTOR**

Come build a team to worship and minister with a fresh ecumenical, multi-staff parish in beautiful big sky country!

Do you enjoy creating new things, out-of-the-box?

Do you find team collaboration energizing?

Are you eager to be used by God to grow the church for today's world?

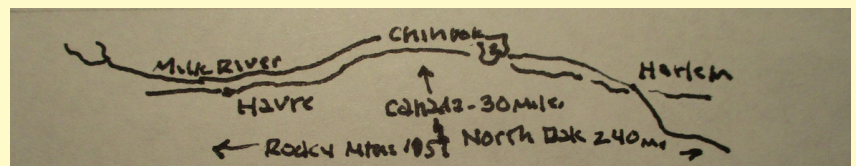

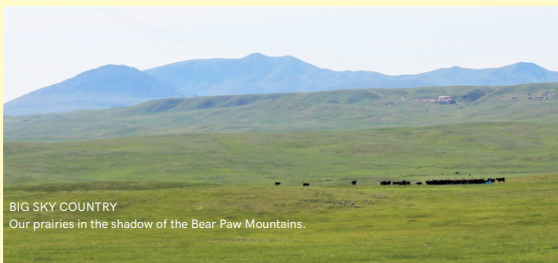

The Presbyterian, Lutheran (ELCA), and United Methodist churches on the Hi-Line of north central Montana have been inspired to gather together for shared worship and a common witness and mission in three adjacent towns.

We are seeking a clergyperson to help us build a staff of trained lay leaders and/or other part time clergy to share inspiration, resources, and fellowship among and beyond five congregations.

The Spirit is already blowing among us and we have begun leaning into this renewed parish prior to the call of a Coordinating Parish Pastor.
